

Our largest chamber event of the year, the Fall Business Breakfast features a keynote speaker, celebrity emcee, and a packed room of who's who in town and city government together with business, cultural and nonprofit community leaders. We recognize an individual who has significantly contributed to the cultural and economic vitality of Newton and Needham and honor two high school entrepreneurs for their innovative spirits. Sponsors at all levels will benefit from repeated online and print exposure as this event is one of the most widely promoted events of the year.
