

Our annual holiday party has become a favorite tradition at the chamber. It's anybody's guess as to what unique and out-of-the-box venue we'll choose to kick off another year of chamber events. An historic brick mill building, a charming ballet studio, a state of the art headquarters in the heart of the N² Innovation District – we search all year for the perfect spot to hold one of our biggest member parties of the year. There's always complimentary food and drinks to help welcome in the new year. It's the perfect opportunity to reconnect with your chamber friends after the holiday break...and start the year off right.
