

Show your support of the local business community by becoming an underwriter of the chamber's ShopLocal campaign that promotes the economic and cultural benefits of shopping locally.

Research shows that programs promoting the benefits of shopping locally can make a big difference. Shopping locally keeps our village centers and shopping districts vibrant. It generates revenue for our schools, our police, our fire department and our roads. It helps create jobs for our friends, our neighbors and our kids. It encourages entrepreneurship. And it saves us gas, reducing our carbon footprint.

The chamber's **ShopLocal**, **DineLocal**, **BankLocal** and **DrinkLocal** are all part of the continuing effort to bolster business and keep our communities thriving. The year-round campaign is aimed at educating residents about the many benefits of supporting local merchants, restaurant and service providers.

Send a powerful message that your company is a leader in supporting our local merchants by becoming a sponsor of the chamber's ShopLocal campaign.
