

One of the chamber's busiest affiliate groups, the 2019 Women in Networking Series will host a minimum of four events during the course of the year plus the popular monthly WIN Luncheon series. These events present a great opportunity to sponsor the presentation of topics and issues important to women in the business community. The 2018 events included a conversation and Q&A with Newton Mayor Ruthanne Fuller, the Myth of Work-Life Balance and the 3rd Annual Networking Bingo Social. The WIN events have time and again proven to be excellent networking events for building professional relationships with other chamber members.
