

Up to 50 professional women, from novice to seasoned golfer, will participate in the chamber's 2nd annual golf clinic at a chamber member golf course. The event will tee-off with an hour-long clinic led by pros on the putting green and driving range. Then head to the 9-Hole Challenger course where clinic instructors will provide on-course feedback and coaching.

A cocktail reception will follow at the clubhouse.

Beyond golf instruction, this event will be a premier networking opportunity to build connections on and off the course with a cross-section of professional women throughout the region.
