

The Young Professionals Group hosts popular monthly meet ups on the 2nd Wednesday of each month at chamber member venues in Newton and Needham. Planned and executed by an energetic and passionate steering committee from across professions, these meet ups feature complimentary appetizers, raffles, and sometimes trivia and networking bingo. The YPG has also launched an annual cornhole tournament and a toy drive to great success and this year took their networking outside with a kayaking trip on the Charles River. The committee will look to expand its educational and informative programming for next year's calendar.

These events present a great opportunity to align your company with young professionals in the business community. The events are also excellent networking opportunities to build business relationships with chamber and non-chamber members who are in the early stages of their careers.
